Personal Statement

Since childhood my passion was engineering and I found best realisation of this passion through coding. Now I have extensive experience as a software developer (mainly .net stack) and currently I am working as a technical lead in access control/security industry. I'm open for interesting project suggestions to work on a part time.

Skill Stack

NET

C# 4-5 years
.Net 4-5 years
WPF 4-5 years
.Net & SQL 4-5 years
ORM 4-5 years
RESTful 4-5 years
